

TESTIMONIAL

This is to certify that Mr Thor-Björn Bergman, through his consult company Altech Business Development, Sweden, has produced and realized training courses in Sales technique and Marketing directed towards the labour market into trade and industry sectors.

The courses have been ordered by the Employment Exchange of Uppsala county and realized in the Employment Exchange in Enköping. The length of the courses has been between 6 and 10 weeks and the number of students have been between 10 - 16.

Mr Bergman has shown an example of exceptionally good pedagogics and has great experience in the field he has taught. The students evaluation of the courses has been constantly very positive and it is a pleasure to recomend Mr Bergman and his company to similar commisions.

Enköping, Sweden, September 3, 1991
